"NO SHOWS" AND CANCELLATIONS

Please Read Carefully

In order to ensure that our patients receive timely therapeutic services, Balance & Vestibular Center Physical Therapy has instituted an appointment cancellation/"no show" policy for all physical therapy appointments. Please read the policy below and sign in the space provided.

At BVC Physical Therapy your appointment time is specifically reserved for you and you alone. We believe that to provide the highest level of care, no other patients should be seen by your therapist at your scheduled time. A late cancellation or no show affects our business and your care in three ways. Firstly, you are not receiving the prescribed care to benefit your condition. Second, our therapist now has a full hour with no patient to see and thirdly, a patient, who may have needed to be seen at that time, is unable to receive the care they need.

"NO SHOW"/CANCELLATION POLICY

In today's hectic world, unplanned issues come up for all of us. At BVC Physical Therapy, we will gladly reschedule your appointment up until 24 hours before your appointment. In other words, you must cancel your scheduled appointment by calling us a minimum of 24 hours in advance. That way, the open slot can be filled with someone needing an appointment.

Cancellation Fees: Failure to provide the required 24 hours notice will result in missed appointment fees. These fees are not covered by insurance carriers or Medicare and will be your responsibility to pay before or at the time of your next visit.

\$50 fee for a "no show" or cancelling less than 24 hours in advance.

Possible Discharge from Physical Therapy: Three consecutive "no-shows" will result in automatic discharge from physical therapy due to non-compliance with your treatment plan.

The BVC Physical Therapy cancellation/"no show" policy is designed to open otherwise unused appointments for our patients, not to collect missed appointment fees. Your cooperation and consideration are appreciated.
